DATE: April 21, 2026

TIME: 10:00 a.m.

DEPT. 10

Complaint Filed: March 9, 2021

Plaintiff has filed a Motion for an Order Granting Final Approval of Class Action Settlement, Conditionally Certifying Proposed Settlement Class, Approving Motion for Attorneys' Fees and Costs, and granting Incentive Award ("Motion"). Having reviewed the Motion and supporting materials, the Court determines and orders as follows:

On October 13, 2025, this Court entered an Order Granting Preliminary Approval of

Settlement, resulting in certification of the following provisional Settlement Class:

> All persons within the State of California who purchased products from a Stoneledge store in the State of California during the period from March 9, 2017 to March 27, 2022, where the "original price" or "regular price" was at least 10% greater than the "invoice price."

The Court further approved the form(s) of, and directed the parties to provide, the proposed Class Notice to the Class, which informed absent class members of: (a) the proposed Settlement, and the Settlement's key terms; (b) the date, time, and location of the Final Approval Hearing; (c) the right of any Class Member to object to the proposed Settlement, and an explanation of the procedures to exercise that right; (d) the right of any Class Member to exclude themselves from the proposed Settlement; and an explanation of the procedures to exercise that right; and (e) an explanation of the procedures for Class Members to participate in the proposed Settlement.

No objections had been made, timely or otherwise, pursuant to the Class Notice sent to the Settlement Class members, nor did any objectors appear at the time of the hearing.

This matter having come before the Court for hearing pursuant to the Order of this Court dated October 13, 2025, for approval of the settlement set forth in the Class Action Settlement Agreement and Release ("Settlement"), and due and adequate notice having been given to the Putative Class Members as required in said Order, and the Court having considered all papers filed and proceedings had herein and otherwise being fully informed of the promises and good cause appearing therefore, it is ORDERED, ADJUDGED AND DECREED THAT:

1. This Court has jurisdiction over the subject matter of the Action and over all of the parties to the Action.
2. The Court finds that the Settlement Class is properly certified as a class for settlement purposes, only.
3. The Class Notice provided to the Settlement Class conforms with the requirements of California Code of Civil Procedure § 382, the California and United States Constitutions, and any other applicable law, and constitutes the best notice practicable under the circumstances, by providing individual notice to all Class Members who could be identified through reasonable effort, and by providing due and adequate notice of the proceedings

and of the matters set forth therein to the other Class Members. The notice fully satisfied the requirements of Due Process.

4. The Court finds the Settlement was entered into in good faith, that the Settlement is fair, reasonable and adequate, and that the Settlement satisfies the standards and applicable requirements for final approval of this class action settlement under California law.

5. No Class Members have objected to the terms of the Settlement.

6. Six Class Members have requested exclusion from the Settlement, and are hereby excluded from the Settlement Class. The individuals excluded from the Settlement Class are reflected in Exhibit F to the Declaration of Lindsey Marquez of Kroll Settlement Administration LLC.

7. Upon entry of this Order, compensation to the participating members of the Settlement Class who made timely and valid Claims shall be effected pursuant to the terms of the Settlement.

8. In addition to any recovery that Plaintiff may receive under the Settlement, and in recognition of the Plaintiff's efforts and risks taken on behalf of the Settlement Class, the Court hereby approves the payment of an incentive award to the Plaintiff, in the amount of $10,000

9. The Court approves the payment of attorneys' fees and litigation expenses to Class Counsel in the sum of $2,000,000.

10. The Court approves and orders payment by Stoneledge in an amount commensurate with the Administrator's actual costs, and not to exceed $300,000 for performance of its settlement claims administration services.

11. Upon the Effective Date, the Plaintiff and all members of the Settlement Class, except the excluded individuals referenced in paragraph 6 of this Order, shall have, by operation of this Order and the accompanying Judgment, fully, finally and forever released, relinquished, and discharged Stoneledge and the other Released Parties, as those terms are defined in the Settlement Agreement, from all claims as defined by the terms of the Settlement Agreement. Upon the Effective Date, all members of the Settlement Class shall

be and are hereby permanently barred and enjoined from the institution or prosecution of any and all of the claims released under the terms of the Settlement Agreement.

12. Upon completion of administration of the Settlement, the parties shall file a declaration setting forth that claims have been paid and that the terms of the settlement have been completed.

13. This Order and the "Judgment" to be entered hereon are intended to be a final disposition of the above captioned action in its entirety, and is intended to be immediately appealable.

14. This Court shall retain jurisdiction with respect to all matters related to the administration and consummation of the settlement, and any and all claims, asserted in, arising out of, or related to the subject matter of the lawsuit, including but not limited to all matters related to the Settlement and the determination of all controversies related thereto.

IT IS SO ORDERED.
